MEMORANDUM FOR THE RECORD

SUBJECT: Consolidation of the Safehouse and Acquisition Branches,  
Real Estate and Construction Division, Logistics Office

1. Project 4-53 covered a study by this Office recommending a reorganization of the Acquisition Branch, Real Estate and Construction Division, Logistics Office to consolidate the Safehouse and Acquisition Branches. After the study was submitted to Logistics, it was cleared with the Security Office by the Logistics Security Officer. The Security Office concurred in the study subject to establishment of the Safehouse functions as a section of the Acquisition Branch and the study was forwarded to the ADD/A and approved.

2. At some later date the matter was discussed by the Director of Security and the Chief of Logistics and it was decided to leave the Safehouse activity as a separate branch of the Real Estate and Construction Division. The attached memorandum dated April 15 was necessary in order that T/O changes based on our survey report could be cancelled by the Personnel Office.

3. This memorandum should be attached to the Survey Report for Project 4-53.
